

June 17, 2021

Dear Fellow Crooked Creek Art League Members:

As Covid-19 Restrictions are lessening, I trust that you will be enjoying your new limited freedoms with family, friends and each other. I look forward to being able to meet in person again this Fall.

Our new officers value your opinions. Please complete the survey about our Juried Show and reception on the website (<https://forms.gle/2t8GiTi6xiok4gdk7>). You can get here through the blog or our website as well. It will take 5 minutes. I also encourage you to send recommendations and suggestions for our future meetings, workshops and activities for the coming year. Our board will look at each recommendation/suggestion submitted. Thank you in advance for your input.

The Community Art Project prospectus will be added to the web page as well. Everyone seemed excited and interested about this Trail Post” project in May. Please check our web page for the prospectus so you will have plenty of time to complete your entry.

Please update your contact information with our website. We need accurate phone numbers, emails and any other contact information to keep you informed adequately. I know I have different numbers for some members than what is listed in our directory.

Stay safe, informed and enjoy your summer!

Respectfully,

Kay Fox, President  
Crooked Creek Art League 2021-2022
