THANK YOU for attending the Crooked Creek Art League's (CCAL) premier annual event. CCAL is proud to showcase our artists' work in March of each year. Learn more about CCAL at crookedcreekart.org.

About the CCAL

The purpose of the league is to encourage and stimulate the practice and appreciation of the creative arts. The league was chartered as a tax-exempt organization in 1995 and has approximately 100 members.

A general membership meeting is held at Crooked Creek Park, Old Lexington Hwy. in Chapin on the third Monday of each month at 7pm (September – May). There is a brief business meeting followed by a program with information and demonstrations of techniques and other items of interest to our members. Refreshments are served at 6:30pm and door prizes drawn at the end of the meeting. If you are interested in learning more about the league, go to www.crookedcreekart.org. You will find the benefits of membership listed and a link to our Membership Application. Membership levels range from \$25-50 per year and guests are always welcome.

About our Juror

Todd Baxter has loved to draw the world around him as far back as he can remember, one of those enviable people who always knew what they wanted to be when they grew up. His artist's eye first guided Todd's successful career as a graphic designer, begun after he graduated from the Art Institute of Pittsburgh in 1975. For more than three decades, he created images that engaged audiences in the world of advertising. Then in June 2010, with the responsibilities of raising a family in the rearview mirror, he decided to adjust course to focus on his passion for fine art. "I am extremely grateful to be able to pursue my passion, to have the opportunity to do what I love doing, every day."

Todd is currently represented by the Providence Gallery in Charlotte, NC, and Olive's in Fort Mill, SC. He is a member of the Tega Cay Art League, the Charlotte Art League, the Catawba River Art Guild and the Charlotte Plein Air Painters.

Juror Comments

Todd Baxter – Lead Juror

I was very impressed with the quality of work both professional and amateur. It was obvious to me that the artists loved what they were doing.

Associate Jurors, Alexandra Stasko from USC and Del'Te Robinson from Benedict College were a huge help in making tough decisions. We started the process with a quick walk through tagging works that caught our attention and then spent time reviewing the works and discussing the merits of each piece before coming to a final decision. One quality that was present in all selected works was technical excellence.

Alexandra Stasko – USC Associate Juror

Alexandra Stasko is an artist based in Columbia, where she came to earn her Master of Fine Arts from the University of South Carolina. She moved here from Conway, South Carolina where she received her Bachelors of Fine Arts from Coastal Carolina University. Alex is originally from Northern Virginia, where she spent most of her youth visiting museums in D.C. and hiking through the rural woodlands surrounding her home. She is extensively involved in her studio practice and showing her work internationally.

Del'Te Robinson – Benedict Associate Juror

I am a Senior Studio Art Major at Benedict College from Louisville, Kentucky, planning to graduate in May 2017. My area of interest is photography, with a concentration in photo manipulation. My Senior Show is a mixed media installation comprised of life-size sculptures, enhanced by sound and lighting. I work as a freelance DJ for the campus and surrounding community for various events. In addition, I serve as the photographer for the College newspaper and yearbook. I am a member of Phi Mu Alpha Fraternity, Alpha Rho Theta Fraternity and Groove Phi Groove Social Fellowship, and the Benedict College Marching Band of Distinction.

About the CCAL Associate Juror Program

CCAL is proud to support future artists through its Associate Juror program. A portion of the CCAL earnings each year benefits two students from local institutions of higher education. Scholarships are provided to two deserving students for a hands-on paid internship to serve as associate juror's for our annual show. The students work side by side with the lead juror to learn from their expertise and experience on how fine arts shows are successfully juried. They are each charged with selecting a piece for award and presenting to the league their selection and justification for that selection. They are also granted an honorary membership to CCAL for one year.
